To the Supplier Community: *UPDATED 5/31/16*

Your continued interest in the upcoming MMIS replacement procurements with a Medicaid Enterprise System (MES) is very much appreciated. This is an update to the Virginia MES timeline posted on April **29, 2016.**

The RFPs are currently in process of final review by the Centers for Medicare and Medicaid (CMS) Services for alignment with and approval of the Medicaid Information Technology Architecture (MITA) Version 3.0 compliance. We appreciate your continued interest and look forward to issuing the MES RFPs as soon as they are cleared for release.

DMAS has posted the **MITA State Self-Assessment and Road Map** and has populated the **Vendor Reference Library.**
